The proceeds of the Offering will be used to close the acquisition of the Salobro zinc project in Brazil, to commence the exploration programs on the Plaza Norte zinc project in the Riocin mining camp in Cantabria, northern Spain, and the Salobro zinc project as well as for general corporate purposes.

Mackie Research Capital Corporation (“Mackie”) acted as sole bookrunner and agent and offered the Units for sale on a “best efforts” private placement basis. As consideration for their services provided in connection with the Offering, the Company has (i) paid Mackie a cash commission of \$209,709.50, and (ii) issued to Mackie 2,097,095 broker options (the “Broker Options”). Each Broker Option is exercisable at a price of \$0.10 per Broker Option into one Unit for a period of 24 months following the date hereof.

All of the securities issued by the Company pursuant to the Offering will be subject to a four month statutory hold period which expires on April 21, 2018.

Certain insiders of the Company have subscribed for Units pursuant to the Offering (the “Insider Participation”). The Insider Participation will be considered to be a “related party transaction” as defined under Multilateral Instrument 61-101 (“MI 61-101”). The Insider Participation is exempt from the formal valuation and minority shareholder approval requirements of MI 61-101.
