

EMERITA ANNOUNCES UPSIZE TO C\$25M BROKERED PRIVATE PLACEMENT FINANCING

THIS NEWS RELEASE IS INTENDED FOR DISTRIBUTION IN CANADA ONLY AND IS NOT AUTHORIZED FOR DISTRIBUTION TO UNITED STATES NEWSWIRE SERVICES OR FOR DISSEMINATION IN THE UNITED STATES.

Toronto, Ontario – August 13, 2025 – Emerita Resources Corp. (“**Emerita**” or the “**Company**”) (**TSXV:EMO**) (**OTCQB:EMOTF**) (**FSE:LLJA**) is pleased to announce that, due to strong investor demand, it has agreed with Clarus Securities Inc. and Velocity Trade Canada as co-lead agents on behalf of a syndicate of agents (collectively, the “**Agents**”), to increase the size of its previously announced \$15,000,090 best-efforts marketed private placement (the “**Offering**”).

Pursuant to the upsized deal terms, the Offering will now consist of up to 23,809,500 units of the Company (the “**Units**”) at a price of \$1.05 per Unit (the “**Issue Price**”) for gross proceeds to the Company of up to \$24,999,975. Each Unit will consist of one common share in the capital of the Company (each, a “**Common Share**”) and one-half of one Common Share purchase warrant (each whole warrant, a “**Warrant**”). Each Warrant will entitle the holder to purchase one Common Share at an exercise price of \$1.30 for 24 months following the completion of the Offering.

The net proceeds of the Offering will be used by the Company to continue the exploration and development work on its Spanish mineral properties as well as general corporate and working capital purposes.

The Units will be offered through the listed issuer financing exemption under Part 5A of National Instrument 45-106 – *Prospectus Exemptions* (the “**Listed Issuer Financing Exemption**”). Because the Offering is being completed pursuant to the Listed Issuer Financing Exemption, the securities issued in the Offering will not be subject to a statutory hold period pursuant to applicable Canadian securities laws.

The Offering is scheduled to close on or about August 26, 2025 (the “**Closing Date**”) and is subject to certain conditions, including but not limited to, the receipt of all necessary approvals including the approval of the TSX Venture Exchange.

There is an amended offering document prepared in the form prescribed by Form 45-106F19 related to the upsized Offering (the “**Offering Document**”) that can be accessed under the Company’s profile at www.sedarplus.ca and on the Company’s website at www.emeritaresources.com. Prospective investors should read the Offering Document before making an investment decision.

The securities being offered have not, nor will they be registered under the United States Securities Act of 1933, as amended, and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons absent U.S. registration or an applicable exemption from the U.S. registration requirements. This release does not constitute an offer for sale of securities in the United States.

Cautionary Note Regarding Forward-looking Information

This press release contains "forward-looking information" within the meaning of applicable Canadian securities legislation. Forward-looking information includes, without limitation, statements regarding the Offering, the upsized terms of the Offering, the use of proceeds of the Offering and the Company's future plans. Generally, forward-looking information can be identified by the use of forward-looking terminology such as "plans", "expects" or "does not expect", "is expected", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases or state that certain actions, events or results "may", "could", "would", "might" or "will be taken", "occur" or "be achieved". Forward-looking information is subject to known and unknown risks, uncertainties and other factors that may cause the actual results, level of activity, performance or achievements of Emerita, as the case may be, to be materially different from those expressed or implied by such forward-looking information, including but not limited to: general business, economic, competitive, geopolitical and social uncertainties; the actual results of current exploration activities; risks associated with operation in foreign jurisdictions; ability to successfully integrate the purchased properties; foreign operations risks; and other risks inherent in the mining industry. Although Emerita has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking information, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such information will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking information. Emerita does not undertake to update any forward-looking information, except in accordance with applicable securities laws.

NEITHER TSX VENTURE EXCHANGE NOR ITS REGULATION SERVICES PROVIDER (AS THAT TERM IS DEFINED IN THE POLICIES OF THE TSX VENTURE EXCHANGE) ACCEPTS RESPONSIBILITY FOR THE ADEQUACY OR ACCURACY OF THIS RELEASE
